Level 4

Travis Marcum

For "Bell and Pendulum"

E minor bass string scale

PIM Block Chord Ex.

PIM Arpeggio Ex.

\* Begin all exercises with p on string 4, i on 3, and m on 2.

\* For Block Chords, i and m move past the thumb all playing at the same time. The goal is one sound with good tone

\* For Arpeggios, each stroke begins from the big knuckle. The m stroke "shoots" the thumb back to the string.
